Delivery Policy

Currently all orders received by clients are in the form of official purchase orders, quote acceptance or verbal/email agreements for delivery of consulting services. This is most often for time spent on client projects, onsite audits, contract administration and creating reports most often on an hourly rate basis or fixed price quote for a defined role.

Delivery as such will normally be in the form of a physical printed report and/or an electronic version of the document.

If in the future physical goods are to be delivered our policy is:

Physical Goods

After purchase order acceptance you will receive an email confirmation of containing your order details (if you have provided your email address). We will normally confirm receipt of your order within 24 hours of ordering. We will attempt to send your goods via Australia Post within 1 working day; however, if goods are unavailable delivery will take a little longer. If you wish to query a delivery, please contact us at duncan@energyroi.com.au.

Invoices will be issued by our accounting package once goods have been delivered and payment is required within 7 day for courtesy account customers or 30 days for approved account holders.

Refund & Returns Policy

As ENERGY ROI only invoices after a client has received the consultancy service requested, received a formal or informal purchase order and confirmed they accept the invoice value/rate. It is extremely unlikely we will need to issue a refund and in the entire time we have been trading have never needed to refund a paid invoice. Services are agreed to and delivered before invoices are issued, if a client doesn't agree with the invoice they ask for an adjustment before they make payment or withhold payment.

In the case of physical goods if they are to be delivered again the client is only asked to pay for any goods after the goods have been delivered and confirmed they are correct and functional.

If for any reason, clients are not completely satisfied with their purchase we will give a 30-day money-back guarantee from the time you receive the goods.

Please email us at duncan@energyroi.com.au. within that time if you are not satisfied with your purchase so that we can resolve any problems. This refund policy does not apply to goods which have been worn or used, damaged after delivery, or if any attempt has been made to alter the product or if they have been dropped or broken. All products must be returned in their original condition. All postage and insurance costs are to be paid by the buyer. We recommend that you return the product via Registered post and that you pre-pay all postage. You assume any risk of lost, theft or damaged goods during transit & therefore advise you take out shipment registration of insurance with your postal carrier. Energy ROI will not be responsible or parcels lost or damaged in transit if you choose not to insure. If you have any enquiries regarding this document and the payment services offered please visit our website at www.energyroi.com.au.
